

The Maywood Scholarship Program is designed to encourage students to a higher education, empower their community, and to create better citizens of the future. The city is offering scholarships to students planning to attend Community Colleges and Universities. Scholarship award amounts will be based on the number of applications the city receives. Priority of the awards will be given to City of Maywood residents first, Southeast Learning Center/Maywood Academy HS/Bell HS seniors second, and current university Community College/Trade School students last.

Applications will be accepted April 19th – June 30, 2010
