

Community Impact Commission

The Community Impact Commission may meet upon the conclusion of regularly scheduled meetings of the Planning Commission. The Chairman or a majority of the members, as needed, may call special meetings. The Commission shall also meet at the request of the City Council.

The purpose of this Commission is to review specific environmental documents prepared for compliance with federal and state laws for extra-jurisdictional projects and to review environmental impacts of proposed development and other projects occurring outside of the City's jurisdiction or projects proposed by other agencies within the City's boundaries that may have an environmental impact on the City and its residents.

Commission Members:

- Leonardo Vilchis, Planning Commission Chairperson
- Vacant Seat, Chairman Pro-Tem
- Hector Cervantes, Commissioner
- Rubi Hernandez, Commissioner
- Oscar Magaña, Commissioner
- Vacant Seat, Commissioner
- Vacant Seat, Commissioner
